INTRODUCTION

Interior design goes beyond aesthetics; it aims to create spaces that resonate with you, evoke calmness and energy, and feel authentic.

Our studio seamlessly blends architecture, design, and functionality, creating spaces that embody a perfect harmony of sophistication and well-being. Each project is thoughtfully tailored to reflect the unique personality of its occupant, ensuring that the design resonates on a personal level. Our creations are meticulously crafted to endure the test of time, radiating elegance without ever feeling contrived or artificial.

When every element comes together in perfect harmony—when materials, shapes, and lighting blend effortlessly—a space truly transforms into a vibrant living environment. Our commitment is to design extraordinary places that inspire you every day while safeguarding your investment for the long term.

STUDIO

CECILIA CRESPO, PRINCIPAL

Ceci Crespo Interior Design is an interior design studio that grew from a passion for transforming spaces with identity and purpose. Founded by Cecilia Crespo, a Panamanian architect with over two decades of experience, the studio is known for its highly personalized approach and ability to blend aesthetics and functionality in every project.

Our team, comprised of architects, interior designers, and qualified engineers, collaborates seamlessly to integrate architectural and interior design, creating sophisticated, versatile, and inviting spaces. We believe interior design extends beyond decoration; it reflects who you are and how you wish to live.

We collaborate closely with each client to create environments that embody their essence, emphasizing comfort, storage, and timeless elegance. We value the chance to partner with other architects and designers, adjusting our approach to function independently or in collaboration based on the project's needs. Through meticulously chosen materials, technology, color, and lighting, we craft exquisite and sustainable interiors that make a lasting impression.

“With years of experience in architecture and interior design, I have perfected the art of creating functional and sophisticated spaces that reflect each client's identity. My approach blends technical precision with excellent customer service, ensuring that each project is a smooth and enriching experience. I relish every stage of the creative process, from conceptualization to realization, collaborating closely with a team of passionate experts. Together, we transform ideas into timeless, inviting environments full of character, where beauty and comfort serve a purpose.”

PROJECTS

This curated collection of projects serves as a compelling showcase of our commitment to achieving excellence in design, reflecting our ability to blend creativity with functionality.

This portfolio illustrates the breadth of our experience, featuring luxurious residential interiors located in the heart of the city, stunning beach residences, investment properties, and project developments in collaboration with various promoters. Each project is carefully designed to reflect our client's unique visions, enhancing both aesthetics and functionality with a rich mix of materials and design elements.

We invite you to explore our unique designs and imagine the endless possibilities of transforming your space through our design philosophy. Let us help you reimagine your surroundings and bring your vision to life.

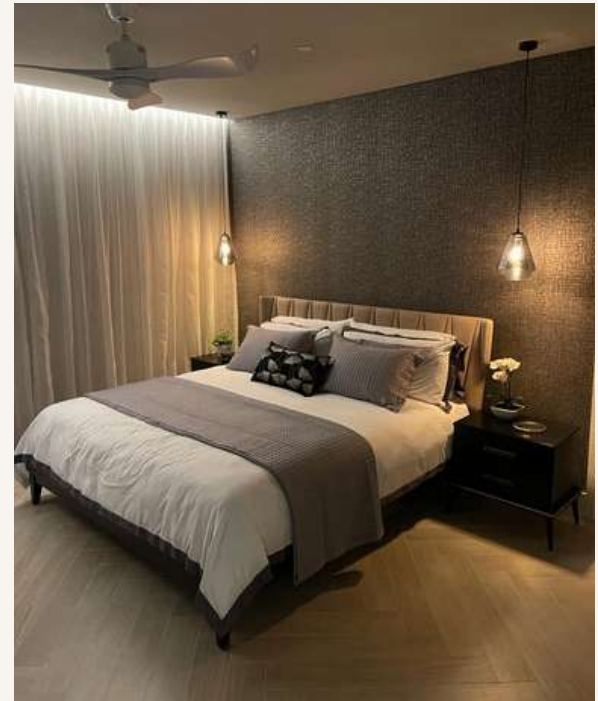

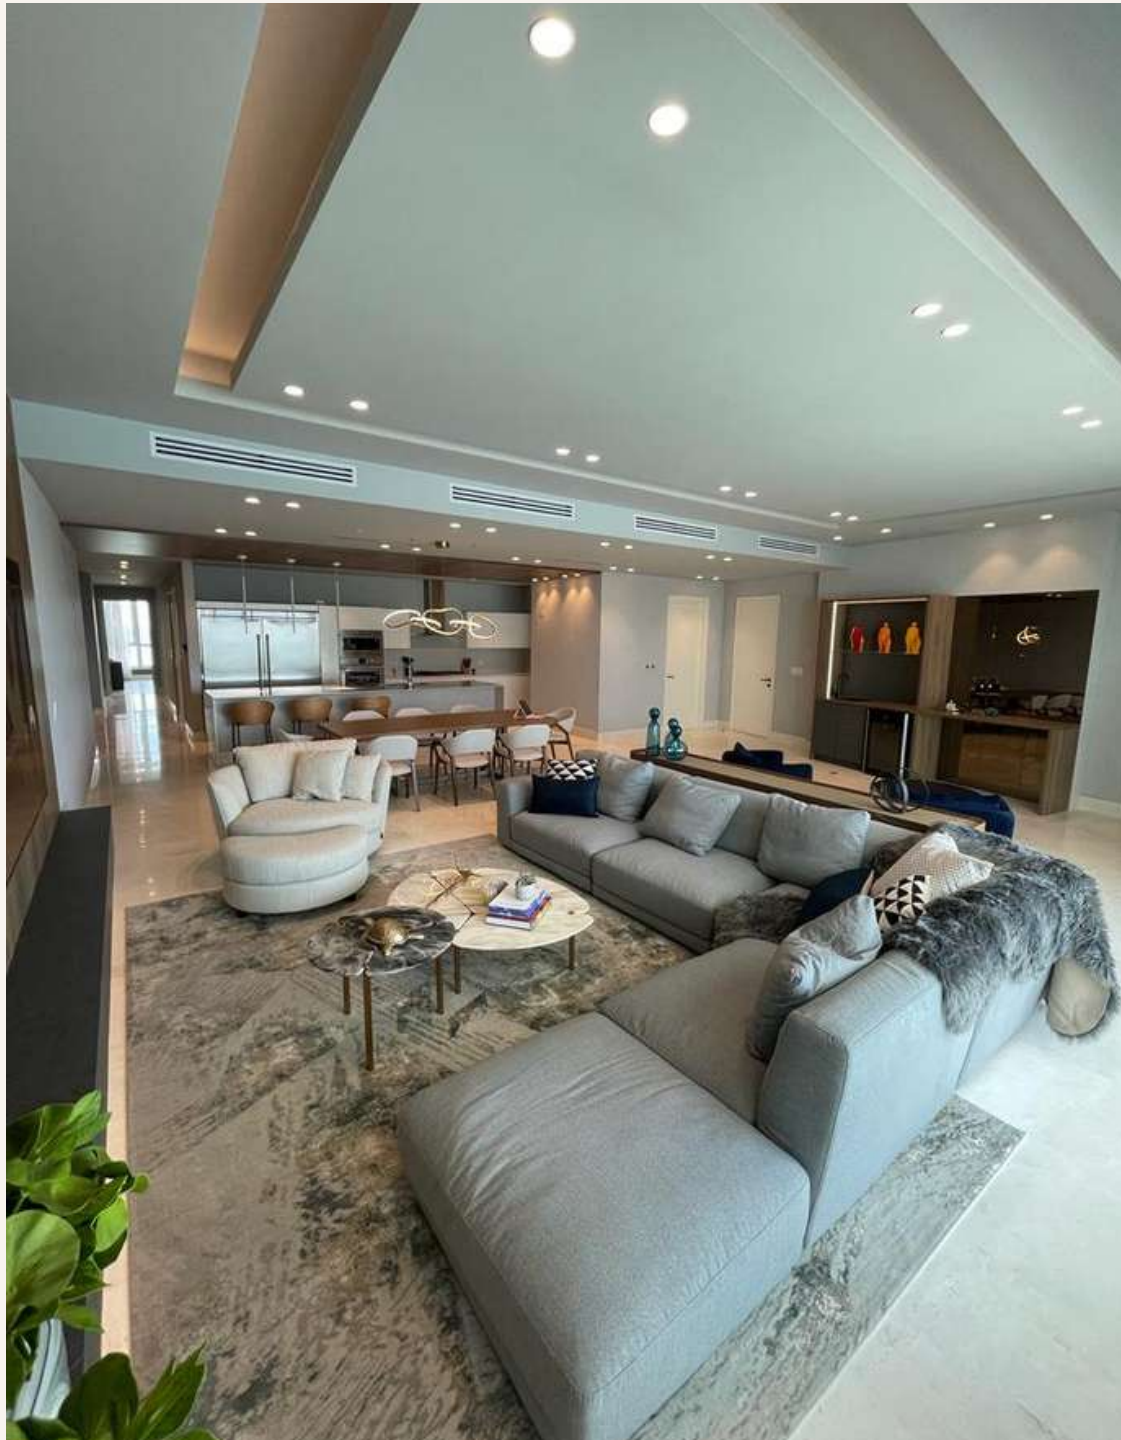

OCEAN REEF

OCEAN REEF: A SEASIDE RETREAT

From the initial sketch, our mission was clear: to capture the ocean's infinite serenity and transform it into a home where peace and sophistication fill every corner.

"From the very beginning, we felt confident. Cecilia and the team truly understood what we wanted and brought it to life even better than we imagined."

ZACH FERREL, RESIDENTIAL PROJECT

Panama City

SANTA MARIA

A HOME WHERE LIFE IS CELEBRATED

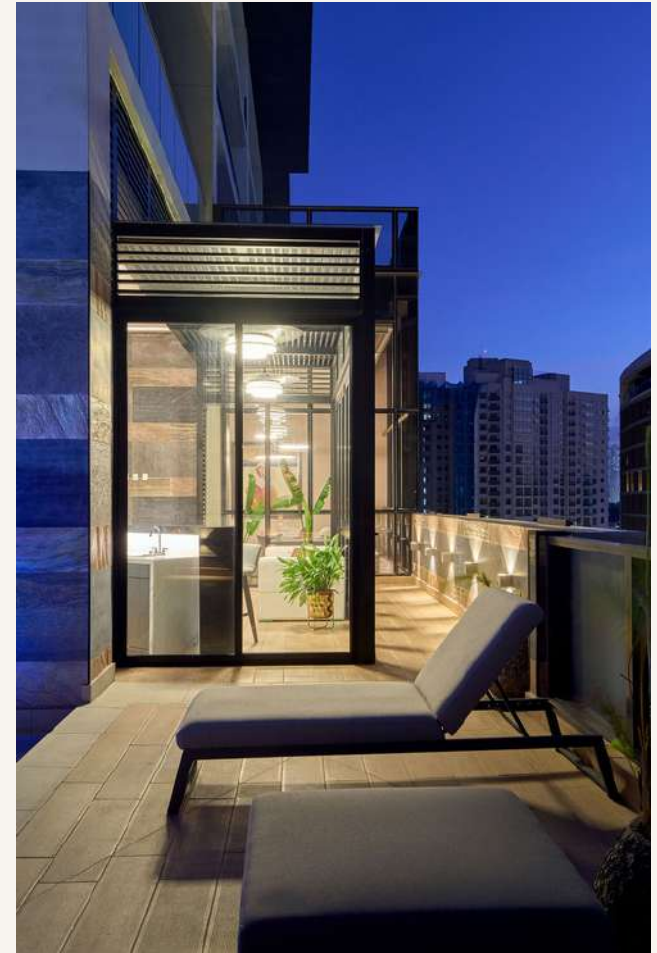

Participating in this project has brought me immense joy and satisfaction. Our mission goes beyond designing physical spaces; we aim to create vibrant environments that foster happiness and connection, enhancing everyday experiences for all involved.

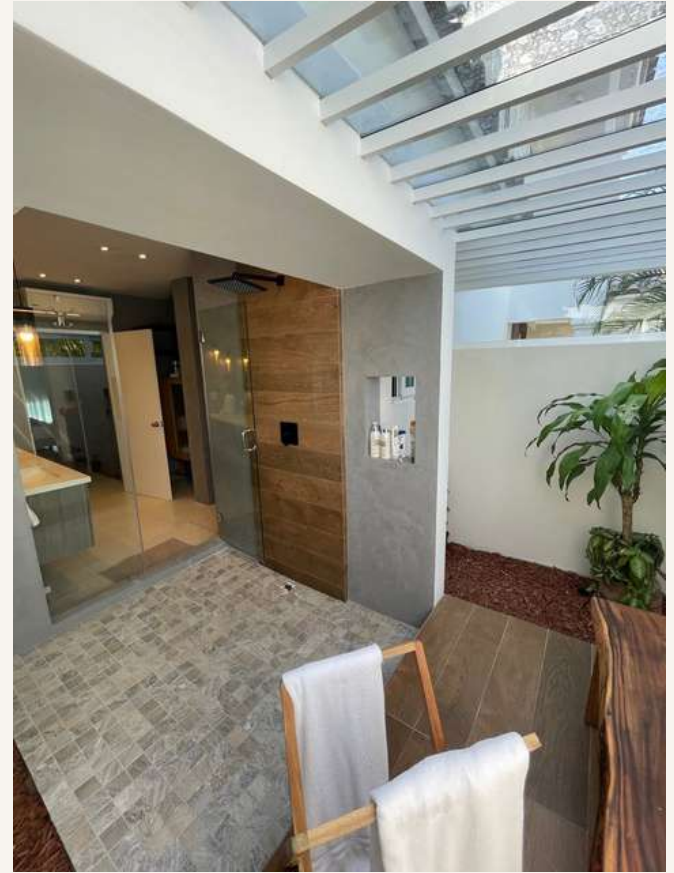

CASA DE PLAYA BIJAO

A NEW STAGE OF RENOVATION

The challenge involved much more than enhancing its appearance; it aimed to completely transform the space, creating an environment where the charm of history intertwines with modern elegance.

PUNTA BARCO

THE EVOLUTION OF A BEACH HOUSE

A story of continuous evolution, a sanctuary where every corner resonates with the essence of its inhabitants. The existing pieces and features endure, but now, they evolve to narrate a new chapter: one where memory intersects with modernity.

PH QUATRIUM

TRANSFORMING SOCIAL AREAS

Transforming lobbies into coworking environments significantly enhances the project's value by encouraging innovation and fostering collaboration among people.

SERVICES

At Ceci Crespo Interior Design, we offer a highly personalized interior design service tailored to each client's unique needs and style. Whether the project involves a complete renovation, new construction, or transforming an existing space, our approach blends creativity, functionality, and harmony to effectively realize your vision.

We manage the complete process, from creating the initial concept to the final installation and home staging, ensuring every detail contributes to a cohesive and thoughtfully designed space environment.

Our commitment is to create spaces that are not only aesthetically impeccable but also reflect your essence and enhance your quality of life.

SERVICES

01	SERVICES FOR RESIDENTIAL INTERIOR DESIGN	Deluxe residential interior design & turn-key. Development of technical plans. Redesign and update of styles and spaces. Advisory services.
02	FINISHES AND MATERIALS DESIGN SERVICE	We assist real estate developers and private clients in making informed decisions when selecting materials and finishes for their projects, guiding them on the most suitable suppliers, warranties, and brands to achieve the desired results.
03	SOCIAL AND COMMON AREA DESIGN FOR REAL ESTATE PROJECTS	We create enjoyable and attractive spaces for real estate projects, collaborating closely with developers and architects to select the best finishes, furniture, and final designs.
04	PROCUREMENT SERVICE	Search and acquisition of all furniture and accessories. Management of orders, deliveries, and installations. Ensuring quality and consistency with the design concept.
05	PROPERTY INVESTMENT DESIGN SERVICES	Enhance the property's value through design by prioritizing user experience and delivering optimal returns for our clients.

SERVICES FOR RESIDENTIAL INTERIOR DESIGN

Every project begins with a thoughtfully crafted proposal detailing our approach to design and investment. During this initial phase, we present a variety of inspirational references, materials, and concepts without disclosing fixed-detail solutions.

Our goal is to thoroughly understand the client's aspirations and establish a clear vision before defining the final design. Additionally, we prepare a personalized financial proposal that outlines the scope and available options, ensuring transparency in costs and feasibility at every stage of the project.

We provide a wide range of services tailored to your needs, from in-depth consultations that address specific aspects of your project to complete design solutions that transform a single room or even your entire home.

Each proposal represents a crucial step toward creating functional, harmonious, and well-planned spaces, ensuring that every decision is a smart and sustainable investment.

FINISHES AND MATERIALS DESIGN SERVICE

Our finishes and materials design service focuses on the meticulous selection of every element that contributes to the project's overall character.

We analyze each option, from coverings to final details, considering its durability, aesthetics, and harmony with the desired style. We prioritize quality and functionality, ensuring that every material meets the space's specific needs.

We partner with designers, promoters, and owners of new real estate projects, offering expert advice on selecting finishes that enhance the project's identity and sophistication.

SOCIAL AND COMMON AREA DESIGN FOR REAL ESTATE PROJECTS

We create vibrant social and communal spaces through innovative designs that significantly enhance the overall experience and elevate the value of each project.

Lobbies, entrances, social areas, lounges, and gyms are essential in modern life. This understanding inspires us to create elegant, functional, and durable spaces where aesthetics and comfort blend seamlessly.

We collaborate closely with real estate developers, architects, and property managers to ensure that every detail embodies sophistication and aligns with a unified vision.

Our goal is to transform each social area into a captivating environment that fosters well-being and encourages harmony among its users. We aim to create an atmosphere that not only delights but also inspires connection and positivity, ensuring that each space leaves a lasting impression of surprise and enchantment.

PROCUREMENT AND PROPERTY MANAGEMENT SERVICES

As part of our personalized service, we provide our clients the option to fully manage their purchases and oversee their funds in Panama while undertaking a turnkey project.

We attend to every detail, from acquiring materials and furniture to supervising the process, ensuring efficiency and quality.

Furthermore, we provide comprehensive property maintenance services, ensuring that each space is maintained in optimal condition and fostering a warm and inviting atmosphere for owners during each visit.

PROPERTY INVESTMENT DESIGN SERVICES

The property investment design service focuses on creating spaces that provide an exceptional experience while ensuring the expected profitability.

Each project is strategically analyzed to enhance its market appeal, ensuring that the interior design aligns with the expectations of the target client.

From the selection of materials to the distribution of space, a perfect balance is sought between aesthetics, functionality, and return on investment. The result is a property that stands out for its sophistication and potential as a solid business opportunity.

PROCESS

01 INITIAL CONSULTATION

We begin the process by understanding your vision, needs, and preferences. This stage involves discussions about your style, functionality requirements, and budget.

02 PERSONALIZED PROPOSAL

We present a tailored economic proposal specifically designed for your project, featuring inspirations and concepts. The working method and scope are clearly defined to ensure the expected outcome.

03 DESIGN DEVELOPMENT

In this phase, we assessed various distribution and finish options, ensuring each detail integrates smoothly and functionally. After defining the concept, we collaborate with the client to refine the design, resulting in a solid and structured final proposal.

04 TECHNICAL DRAWINGS

This phase is crucial as it involves creating complete floor plans, optimizing furniture layouts, and developing electromechanical and lighting diagrams along with detailed interior elevations.

05 BUDGET AND BIDDING

Presentation of a detailed budget along with the selected contractor for the project. A delivery and payment schedule will be provided, along with complete project management if required.

06 PROCUREMENT AND PURCHASING

When the scheduled moment arrives, we manage orders and purchases to ensure timely receipt for the project.

07 REMODELING PROCESS

Regular site visits and progress assessments are conducted and documented as part of the proposal.

08 ADMINISTRATION AND FINAL DELIVERY

We conclude with a formal delivery and a complete review of the project alongside the client.

09 POST-COMPLETION SUPPORT

Our service extends beyond delivery. We are available for follow-up support, addressing concerns and providing maintenance advice.

FEES

Each project is unique and custom-designed to ensure that the details reflect your style, needs, and aspirations. The initial consultation marks the first step towards a strategic and well-planned process design.

This is more than just a meeting; it's an investment in clarity and precision. During our session, we will thoroughly analyze your space, explore the best options, and collaboratively define an action plan. This will ensure that every decision made from the beginning is sound and effective.

Benefits of strategic planning:

- Maximize your investment: A well-structured design optimizes resources and prevents unforeseen issues.
- Avoid costly mistakes: We anticipate solutions for smooth and efficient execution.
- Ensure exceptional results: We design with harmony, functionality, and sophistication.

Fees:

The fees for our services are based on the specific service you require and the complexity of your project. We establish the fee structure when we present you with your tailored proposal.

Payment Structure:

- A deposit is required upon approval of the proposal to ensure that the design process can begin.
- Payments will be made in installments that correspond to the progress of the project's design and development.
- The final payment will be made upon the completion of delivery or when a previously agreed-upon milestone is reached.

Clarity and transparency:

You will receive a comprehensive payment schedule, agreed upon by both parties, ensuring predictability and trust throughout every stage of the process.

PRIVATE RESIDENCE MAJAGUAL, PANAMA

NEXT STEP

LET'S TALK

Every great design begins with a conversation. Schedule a call with no obligation, and let's discuss your vision, ideas, and expectations. Together, we will explore the best options to transform your space into something truly special.

SCHEDULE A VISIT OR CONSULTATION

Every project is unique, which is why the initial consultation comes with a fee based on its scope. During this session, we will carefully analyze your space and explore design possibilities, and I will help you transform your vision into a well-planned and cohesive reality. This initial investment will provide clarity and direction, ensuring that every decision is made correctly from the outset.

Your space deserves a design that reflects your dreams!
